

Abhishek Jadhav

Student at Walchand College Of Engineering

abhishekjadhavpatil2@gmail.com

Summary

I am an aspiring Computer Sciences & Engineering student pursuing my graduation from one of the prestigious Engineering College in Maharashtra. My field of interest is Coding and Management activities. My aim is to become a good Software Engineer so that i can pay my services to welfare of Society.

Education

walchand college of engineering

Bachelor's Degree, Computer Science, 2014 - 2018

Grade: 8.3

Activities and Societies: Organised "PAPERICA" a Paper Presentation event of Vision 2k15 which got response from over 100 Teams. Contributed to "WEBSTER" a Web-Seminar for Web Enthusiasts by ACSES in Techumen 2k14.

Gulab Rai Seniory Secondary School

Higher Secondary Education, Science, 2013 - 2014

Grade: 90.4

Gulab Rai Seniory Secondary School

High School

Grade: 91.2

Activities and Societies: Global Rank 539 in International Informatics Olympiad (iiO) .

Interests

Coding, New Technologies

Skills & Expertise

C

C++

Java

HTML

Python

PowerPoint

CSS

Microsoft Office

Microsoft Excel

Microsoft Word

Linux

SQL

Volunteer Experience

Organizer at WCE,ACSES

October 2015 - Present

As the member of ACSES, we organized state level technical symposium i.e. TECHUMEN 2K15. Worked as member in organising committee for WEBSTER - a workshop and competition on web designing and development

Volunteer in Expotech committee in "PAPERICA"(Paper Presentation) Event. at VISION 2k15

February 2015 - Present

Volunteering Experience helped me to improve my Management skills and contributed a lot to enhance my soft skills.It sharpen my working in Team ability.

Test Scores

Joint Entrance Exam (JEE Advanced)

Score:All India Rank 9452

Hackerrank Algorithms

Score:Global Rank 3562*

*Rank may vary with time

international informatics olympiad

Score:State rank-77

Organizations

Association of Computer Science and Engineering Students

Web Expert

April 2015 to Present

Projects

List of inventory parts and their quantities for Mechanical Workshop using Hashing Algorithm(Data Structure)

November 2015 to Present

Members:Abhishek Jadhav, Punit Patel

create a list of inventory parts and their quantities for a Mechanical Workshop. After creating the hashed list, write a simple menu –driven user interface that allows the user to select from the following option: 1. Search for an inventory item and report its quantity. 2. Print inventory parts and their quantity. 3. Analyze efficiency of Hashing algorithm.

TCP/IP Model Animation Video

November 2015 to Present

Members:Abhishek Jadhav, Mukund Sudharsan

Software Development Process (Role-play)

September 2015 to Present

Members:Abhishek Jadhav

Configuration Manager(Role play) in short movie to illustrate the role of a Configuration Manager in Software Development process
